

**GUARDIAN**  
**FIBERGLASS INSULATION**

Date: December 9, 2009

To: Valued Customer

Ref: Recycled Content of Thermal Insulation Products

All Guardian Fiberglass insulation products contain 30% post consumer recycled glass and 5% post industrial recycled glass.

I hope this helps and the best of luck on your important project. Call if you have any further questions on this topic.

Sincerely,

Thomas A. Gruber  
Director of Process Operations  
Guardian Building Products
