## **Guardian Building Products Adds New Vice President to Purchasing Team**

**Greenville, SC – February 23, 2017** – Guardian Building Products (GBP) is pleased to announce that Steve Anstett has joined the company as Vice President of Purchasing – Specialty Building Products. In this new position, Anstett will work closely with Mark Bjerke, Vice President of Purchasing – Roofing, Gypsum & Insulation. Together they will be able to look for synergies and new and more efficient ways to serve GBP customers by working with the supplier community.

Anstett was most recently Vice President of National Accounts for Cascade Windows, responsible for developing relationships with major lumber and building material dealers and retail chains. Prior to that, he was Vice President of Marketing and Business Development for American Wood Moulding, LLC and also held the same position at The Hechinger Company and Home Quarters Warehouse.

He has nearly 40 years' experience in the building products industry.

### **About Guardian Building Products:**

Guardian Building Products, a wholly owned subsidiary of Guardian Industries Corp., is a leading two-step distributor of exterior building products. Through its network of 30 stocking distribution centers strategically located throughout the United States, as well as an established direct-from-manufacturer business model, Guardian Building Products serves pro dealers in the lumber and building materials industry.

### **About Guardian Industries Corp.:**

Based in Auburn Hills, Michigan, Guardian Industries is a diversified, global company with a vision to create value for customers and society through constant innovation using fewer resources. Guardian, its subsidiaries and affiliates employ 17,000 people and operate facilities throughout North America, Europe, South America, Africa, the Middle East and Asia.
