

Cameron Ashley Building Products Announces Opening of Cleveland Distribution Center

Greenville, SC – January 21, 2019 – Cameron Ashley Building Products (Cameron Ashley), formerly Guardian Building Products, announces the opening of its newest distribution center at 5000 Van Epps Road in the Brooklyn Heights neighborhood of Cleveland, OH. The new facility, with an approximate 150-mile service radius, replaces an existing facility in nearby Macedonia, OH.

The latest distribution center will provide sales and inventory support for continued growth in roofing, insulation, gypsum, and other building materials.

“We are pleased to continue serving our customers in Cleveland and its surrounding markets,” said Regional Vice President, Tom Gaffey. “This new facility sets us up for future success”.

Key suppliers stocked at this location will include CertainTeed Roofing, Continental Building Products, Knauf Insulation, Lomanco Vents, National Gypsum, QAP, TAMKO Roofing, Titanium/RhinoRoof, USG, and more.

“We are excited to be moving to a stand-alone facility, while continuing to serve our existing customers,” said Distribution Center Manager, Stacey Hanayik. “We are also poised to begin serving new customers in this market.”

As of January 21, 2019, all incoming outgoing deliveries and customer pickups will be serviced out of the new Cleveland location.

To contact the Cleveland distribution center, call their new phone number, 216-302-1414. To learn more about Cameron Ashley, visit cameronashleybp.com.

About Cameron Ashley Building Products, Inc.

Cameron Ashley, formerly known as Guardian Building Products, is a leading distributor of roofing, insulation, gypsum, and other specialty building products. The Company operates a network of over 30 stocking distribution centers with a total storage footprint of over 4.2 million square feet in 20 states in the Midwest, Southeast, and Northeast United States. 26 of Cameron Ashley’s distribution centers are strategically located within 150 miles of the 25 largest MSAs in the country. Through distribution center operations, as well as an established direct-from-manufacturer business model, Cameron Ashley Building Products delivers an array of innovative, market-focused products and services to over 5,000 customers in the lumber and building materials industry.
